

The Vikings Defiant Bride (Victorious Vikings Book 1)

Northumbria, 867 A.D. Beautiful and courageous, the Lady Elgiva is as great a prize as the land the Viking conqueror now controls. Earl Wulfrum has taken her home, and now he will take her as his unwilling bride. Wulfrum is a legendary warrior, but the strong-willed Elgiva proves the greatest challenge he has ever faced. Yet her response to his touch tells him she feels the all-consuming heat as much as he. Their passionate battle can end only one way in the marriage bed!
