

Things Liars Fake: a Novella (a #ThreeLittleLies novella Book 3)

Authors Note: This novella, along with all others in this series, is a standalone with no cliffhanger. You're welcome.

What if...Someone you barely knew asked you for a favor. What if...They needed you to be something you weren't, in exchange for nothing. Unless you count a mouth full of lies and a half-broken heart. Faker. Pretender. Liar. There are worse things to be called. So would you do it? Would you? Daphne Winthrop did. And you're about to find out what happens in the end.
