

## Tied (The Tangled Series Book 4)

In the fourth sexy romance by the New York Times bestselling author of Tangled and Twisted, Drew and Kate cant wait to tie the knotif they can survive the pre-wedding festivities. For most of my life, I never imagined Id get married. But Kate did the impossible: she changed me. I think we can all agree I was pretty frigging awesome before, but now Im even better. The road to this day wasnt all rainbows and boners. There were mistakes and misunderstandings worthy of a Greek tragedy. But Kate and I made it through with our inexhaustible lust, boundless admiration, and everlasting love for one another intact. That being said, there were some unexpected incidents in Vegas last weekend that could have been a problem. It was kind of my final test. I know what youre thinking what the hell did you do this time? Relax. Lets not judge, or call for my castration, until youve heard the whole story. And hold on tight, because youre in for a wild ride. Did you expect anything less?
