

Tarnished Rose of the Court (Mills & Boon Historical) (Tudor Queens, Book 2)

BOUND BY ROYAL COMMAND! A dangerous mission at Queen Elizabeth's bidding is Celia Sutton's chance to erase the taint of her brother's treason. Her life is at risk if she's discovered and so is her heart when she learns her co-conspirator is also her one-time seducer: brooding and mysterious John Brandon! John can't believe the change in Celia—what's happened to the carefree English rose she once was? Leaving Celia was the only thing to do, but now guilt tears at his soul. He has to heal the sadness in her past, and he's not above using anything from expert seduction to royal favours to achieve his goal.
