

Alien Romance: Smitten by Sweetest Alien (Uoria Mates Book 9): A Sci-fi Alien Warrior Invasion Abduction Romance (Uoria Mates Series)

Sweetest, nurturing Ty has been looking forward to finding his mate his entire life, but now that he is facing that exact situation, he doesn't know what to do. The student that came to Uoria with Zuri when the professor returned to be with Ero is stunningly beautiful, but is also so young. He doesn't want to take advantage of her, but the longer she is on the planet, the more he realizes that she is the one for him. When Samira discovers the mysteries of the relationship among the Denynso, he must once and for all decide if he is willing to take a chance on his mate, or if by letting her take the time to grow up a bit he is putting their entire future at risk. This book contains mature themes and language, only suitable for ages 18+!
