

One Day Soon

He found me in blood and tears. I stayed with him through darkness and fire. We loved each other in the moment between innocence and bitter truth. We were the kids easily ignored, who grew into adults we hardly knew. We weren't meant to last forever. And we didn't. He ran away. I tried to move on. Yet I never stopped thinking about the boy who had fought to keep me alive in a world that would have swallowed me whole. He was the past that I buried, but never forgot. Until the day I found him again, years after believing I had lost him forever. And in cold, resentful eyes, I saw the heart of the man who had been everything when I had nothing at all. So I vowed to hold onto the second chance that was stolen from the children we had been. Sometimes fate is ugly. Life can be twisted. And who we are can be ruined by who we once were. For two people who had survived so much, we would have to learn how to hold on before we were forced to let go.
