

When her engagement falls apart, Layla Brooks heads for the one place shes always felt at home—Sag Harbor. Far from the hectic pace of New York City, she can concentrate on her massage therapy business. And business is all shes interested in, despite her friend Melanie Hartes offer to find her someone through her exclusive Platinum Society matchmaking service. Then Maurice Lawson checks into the local B & B and one glance tells Layla that the dark-eyed, intense veteran needs healing, inside and out. Both are stunned when their therapeutic sessions become charged with raw passion. But when every touch is this electrifying, the only thing to do is to give in tonight and every night....
