

A Navy SEAL fights the most important battle of his life—love—in New York Times and USA Today bestselling author Lindsay McKenna's Shadow Warriors miniseries. In the mountains of Afghanistan, her daring rescues have made Medevac pilot Sarah Benson a legend. She loves taking her helicopter where others fear to fly—the danger, the adrenaline... and the distraction from thinking about her own hurt heart. US Navy SEAL Ethan Quinn is man enough to prize Sarah's valor as well as her beauty. But his efforts to reach his beautiful colleague cannot pierce her armor. Can he prove that it's possible to find love in a war zone?
