

A New Plan Skyler Harrington is a planner. After the tumult of her childhood, shes built a life for herself in Blue Falls, Texas, thats comfortable, predictable, safe. The last thing she needs is to go gaga over a rodeo cowboy. It felt great to let her hair down with sexy Logan Bradshaw, but shell be happy if their paths never cross again. A surprise pregnancy is something neither expected. Skyler has no intention of letting her baby grow up the way she did, with an unreliable father. Shes willing to raise their child alone, but Logan is determined to prove theres more to him than being a devil-may-care risk taker. Hes daddy material!
