

Truth or Dare: A Dare to Love Novel

In a deliciously sexy twist on the classic game, USA Today bestselling author Mira Lyn Kelly proves that when playing truth or dare always choose dare. After her one attempt at commitment ends in the worst kind of betrayal, Maggie Lawson vows that the only people she'll love till death do they part will be her friends. Unfortunately that means Maggie letting her bestie rope her into a year-long dating dare: score a new date each month or pay a penalty. Seems doable until Maggie's date stands her up, leaving only one option: the sexy stud who just moved in upstairs. The problem? He and Maggie can't stop fighting and that's just the beginning. His name is Tyler Wells and the last thing he needs is his neighbor distracting him with her girl-next-door smile and sharp tongue. Tyler's in Chicago for one reason: to woo back his selfish ex in order to reclaim the child he once thought was his and that means keeping Maggie out of his bed. A tall order, since Maggie has become a bigger temptation than he ever expected to face. But before they can even consider leaving the past behind, Maggie and Tyler must accept a brand-new dare: real, forever love. Praise for Truth or Dare It's clear from the beginning that all the snark between Tyler and Maggie is masking a powerful attraction that they both wish to ignore. Every time they resist just makes every time they give in that much hotter (and sweeter).
