

Untamed: The Complete Series

Get all 5 books of the Untamed Series in this special omnibus edition over 1,000 pages long! A unique, angsty, art-infused novel series akin to a sexy CW show, it is perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout. This is angst filled romance of the highest order, writing that is of the highest calibre, and a story that is as captivating as it is heart-breaking (Carol Fenton). Rich, beautiful, and wild, Reagan McKinley has everything she needs...but nothing that she wants. That is, until she spends one hot night in the arms of sexy, unbridled Dare Wilde. She's a girl trapped in a rigid world she desperately wants to escape, and has an untamed artist with an attitude, hell-bent on freeing her body, mind, and soul. But Reagan's life is not her own, and Dare is not welcome in it. She can't include him in her carefully-controlled, extremely public lifestyle...and yet she cannot give him up. Will a shared passion for art and, increasingly, each other be enough to keep them together? Or will it be the thing that ultimately tears them apart? The epic saga is just one click away...
