

Down to You (A Bad Boys Novel)

One girl. Twin brothers. An uncommon triangle. When college student Olivia Townsend returned home to help her father run his business, she never imagined a complication like Cash and Nash Davenport twin brothers different in so many ways but with one thing in common: an uncontrollable desire for Olivia. Cash is dangerous, sexy, and bad to the bone a man whose kisses make Olivia forget she is playing with fire. Nash is successful, reliable and intensely passionate and already taken. But all it takes is one soft stroke to make Olivia forget he belongs to someone else. However, Olivia is in for a surprise. These boys have a secret that should make her run away as far and as fast as she can. If only it wasn't too late. A sensual game between three players has begun, and it's about to spin deliriously out of control.
