

The Grass Could Be Greener

Jeremy and Jamie are a young married couple that live together but live separate lives. Jamie is a busy professional journalist, obsessed with giving their two little girls everything... except for her time. Sarah and Joe are a happily-married couple that have four children. Sarah is a stay at home mother who home-schools her brood. She and Joe are living in a domestic discipline relationship. When Jamie finds out that Joe spans his wife she sets out to expose him as the abusive husband she believes that he is, and what better way to do it than to participate in a Spouse Swap program. It doesn't take long for her to end up over her fake husband's knee getting a first hand account of what it's like to be a spanked wife.
