

## Beautifully Young

THIS BOOK HAS BEEN UPDATED 12/13/2014 TY. Kyrie a 21-year-old college student who has been in love with his best friends younger sister Cristie, for as long as he can remember. She is four years younger than him making her only 17, but that doesnt stop them from letting one night get out of hand. Will they be able to handle the fall out or will it tear a beautifully young love apart before it ever had a chance? This book is intended for mature audience. It does not include heavy sex scenes but does include bad language.
