

## Vampires and Vixens (Psy-Vamp Book 1)

Sometimes loneliness leads to dangerous obsessions ... A strange and frightening encounter at a party leaves Hannah questioning her own sanity. What she believes happened cannot possibly be true. She soon finds herself caught between two men, one determined to possess her and the other determined to protect her. Both men have dark secrets that will change her life forever. \*\*\*While this book is part of a series, it can be read as a stand alone novel.
