

## The White Dress

The is another combo mystery/romance from the 1940s. It takes place on an island off the causeway to Miami Beach at the home of a wealthy business man. His two murders take place on the island, and there are several suspects. It is written mostly from the point of view of the woman who discovered the murders and could easily have committed them. Of course, she didnt, and is in danger. All ends well.
