

## Spring at the Barncastle

After a career disaster, Sadie Barncastle finds herself in rural Vermont, starting over and opening up a shop at the family inn. She meets up with an old friend from childhood, Peter Appleman, a widower next door with a precocious daughter. But Sadie's not sure if life in the Green Mountains is for her and feels the call of Boston drawing her. Peter, however, is drawn to Sadie but isn't quite sure if he's ready to move on yet. As Easter approaches, a time of forgiveness, restoration, and joy, the two realize that it's also a time for new beginnings, but does that include with each other? This book continues several years after the last novella in *Christmas At Barncastle Inn*.
