

Were thirteen girls, captive to a man we rarely see. Obedience will become all we know. It is the only emotion we were permitted to feel. When we were bad, we were punished. When we were good, we were rewarded. Our scars run deep. Yet we survive, because we have to, because HE teaches us too. All of us are special, we feel it with everything we are. He has us for a reason, but its a reason we dont know. Weve havent seen his face, but we know that something deeply broken lies beneath the darkness. With every touch, with every punishment, we know it. Then came the day he saved my life, and I saw him for the first time. He released something inside of me. He showed me who he truly is. Now I want him. Ill go against Everything I know to be with him. A monster. My monster. Loving him is a sin, but a sinner I am. I wont stop until I see every part of him. Even the parts he keeps locked deep down inside. I am Number Thirteen, and this is my story.
