The mysterious man at her door swears he recognizes her. She's Leah Farley. Mother, wife and suspected murderer. But her amnesia has wiped away memories of her former life. When a shower of bullets follows the man's claims, Leah is forced to accept the truth. She's in danger. And unless she can make herself remember, there's no way to stay safe. With bounty hunter Roman Black's help, she must uncover her lost memories before the killer succeeds in keeping Leah's past and future buried forever.
