

## House on Fire (The Southerlands)

When romance writer Genevieve Andrews neck massager causes a fire in her apartment, she ends up homeless. Luckily her friend Bailey Southerland is looking for a house sitter. But unknown to either of them, Baileys husband already gave farm manager Jake Monroe the job. When a late night bar crawl throw Jake into Genevieves bed, will she kick him out before the smoke clears or can he convince her that real men do it better. House on Fire is a novella in NYT bestselling author Evelyn Adams Southerland series. It can easily be read as a standalone but fits chronologically after Laws of Attraction.
