

Women Under Fire (Grayce Walters series) (Volume 2)

Life has heated up for Grayce Walters: thrust into the public eye and hounded by the media after solving an arson case with a critical clue from a French Poodle. When Ewan Davis, the sexy arson investigator Grayce has been steaming things up with, starts talking commitment, she definitely feels the burn. Then a desperate mother begs Grayce to help find her missing daughter an Afghanistan war veteran suffering from PTSD, and Grayce reluctantly takes on the case, following a disturbing clue provided by the missing young woman's cat. Calling once again on the aid of her cross-dressing best friend and her shrewd assistant, Grayce uncovers a terrorist plot with chilling international implications. Grayce races to rescue the young veteran before the escalating danger explodes. But if she manages to escape the threat, will she find the courage to commit to the fiery passion that awaits her wrapped in Davis's arms?
