

Laid Out (Worth the Fight)

Perfect for fans of Katy Evans and Sarah Castille, Sidney Halston's scorching new MMA romance proves there are no holds barred when it comes to seduction. As an Army brat, Violet Channing could never meet her dad's high expectations. But in the eyes of her best friend, she could do no wrong. He even insisted that he should be her first kiss. Now Cain Sorensen is all grown up, hardened by years in special ops and always looking for a good fight. Tall, with striking blue eyes and impossibly blond hair, he's a modern-day Viking warrior. Of course, Violet's all grown up, too, and she's ready to surrender to his every command. Cain knows he's bad for Violet. His work is dangerous, and his hobbies are downright deadly. As a private mercenary and a mixed martial arts fighter, he could never let such an innocent soul into his world. And yet his most grueling combat training is no match for Violet's killer curves, hot touch, and suggestive glances. Now all of Cain's most explosive fantasies are coming true but once they cross the line between friends and lovers, there's no turning back.
